

## COSC 414 Assignment 4 Screen Captures

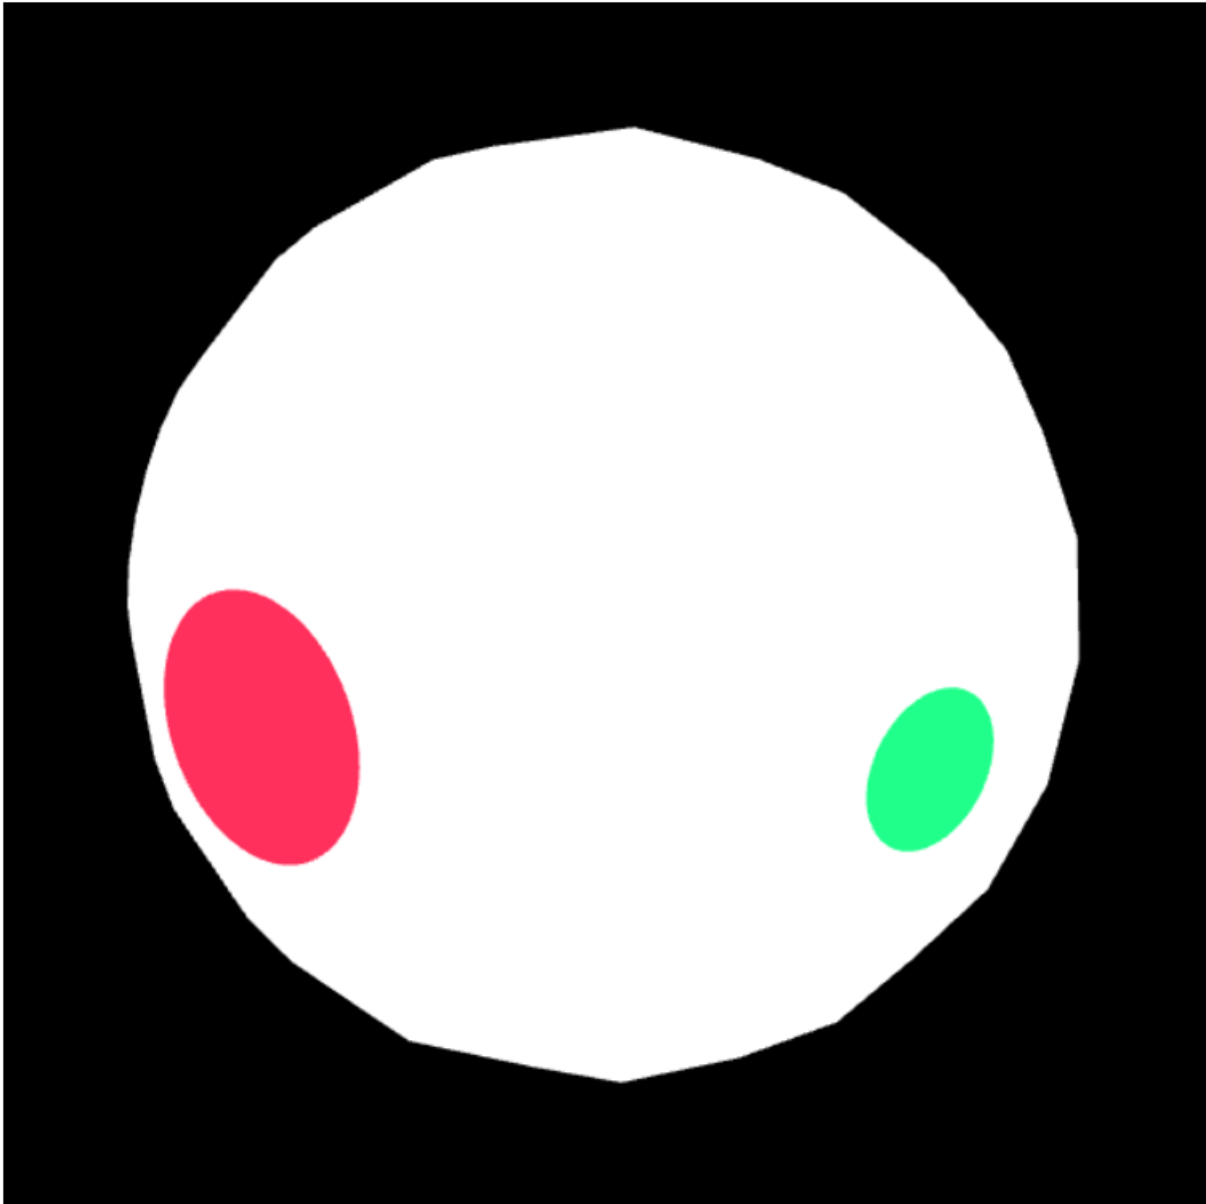

The game starts with a blank white sphere which can be moved in any direction using the mouse as input.

Score:

0

Bacteria will spawn on the sphere and the user must click on each bacteria to administer the poison to instantly kill the bacteria. You get more points the quicker you kill a bacteria.

Score:

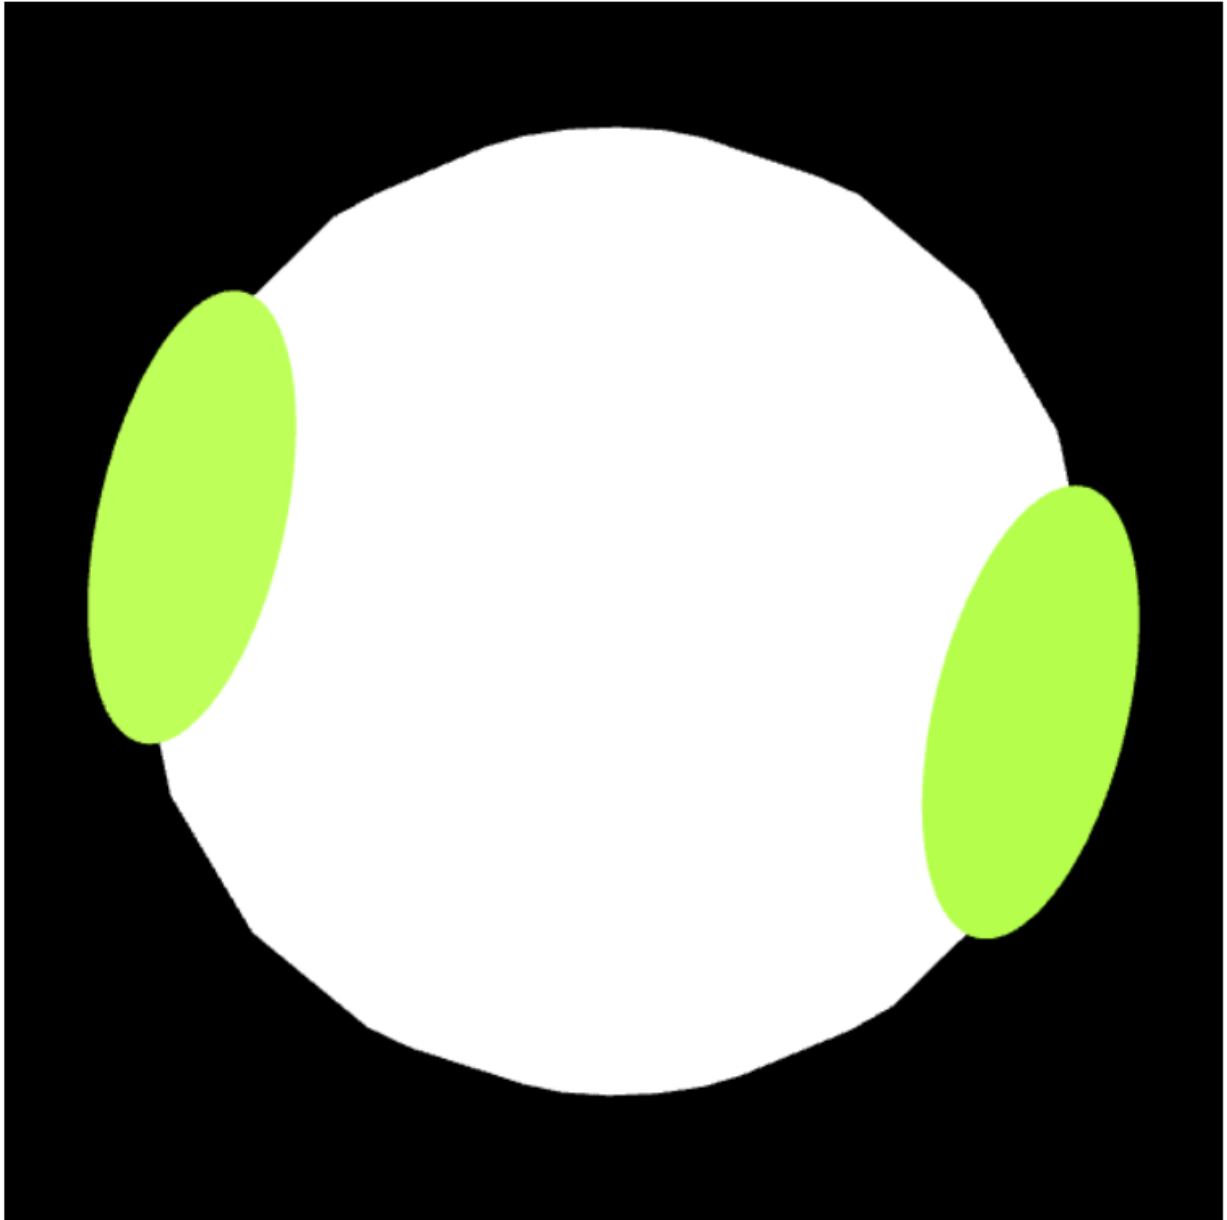

22.50

Score:

115.00

**You Win!**

If the user manages to destroy all the bacteria before 2 of them manage to reach full size, they win the game and are presented with a you win message.

Score:

4.00

Game Over

If the player fails to neutralize all the bacteria in time, they lose the game and are presented with a game over message.
